

CATHARTIC PILLS

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stormach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almannac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Disections for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPERSIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the heartburn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL SYMMACH, or Morbid Inaction of the Bosels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR Nenvousness, Sick Headacher, Nausra, Pon Stem Don't wear these and their kindred disorders because your stomach he four.

FOR SCHOPULA, BRYSIPELAS, and all Disease of the Skin, take the Fills freely and frequently, to keep the bowels open. The cruptions will generally soon begin to diminish and disappear. Many dreafful

where.

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the akin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

Rusumatism, Gout, and all Infammatory Fe-

cents.

RIBUMATISM, GOUT, and all Inflammatory Fewers are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principle of Life. For

freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed. PREPARED BY

DR. JOHN BULL.

SOMETHING NEW AND VALUABLE

The most powerful King on the face of the globe now reigns supreme in the American Republic. The power of the crowned heads of Europe sink into insignificance when compared to our American King.

European kings employ the power vested in them to increase the rishes of the rich and lordly, and to reduce to greater missry and degradation, the poor and dependent. our American King goes forth with squal willingment to the lordly manuson and the humble cabin readulation to administer relief, and to offer health and happiness to the lofty and lowly, the rich and the poor.

DR. JOHN BULL'S

AMERICAN KING OF PAIN Is the TENTH WONDER OF THE WORLD, and the greatest blessing ever offered to afflicted humanity; to the suffering millions, the Doctor can say, relief is as your command. Fou have only to use this magical remedy. All those who still suffer, and will not accept the professed Halm, deserve not the pity of their families.

This wonderful medicine, during the brief period since its introduction, has carried happiness to the hearts of thousands, and made life a charm to many who heretofore regarded it only as a painful and miserable existence.

King of pain," a preparation composed solely of vegetables and roots, produced by America's own rich and
bounteous roll.

We would six the Lapins, who are always competent
judges of what is and what is not a vatuable family medicine, to do us a special favor by giving the King of Pain
a single trial, and if satisfactory, exert their influence
in its behalf, recommend it, speak well and often of it,

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Buil's Sarsaparilla is prepared, not one has concenned it, but all approve it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feat a rejustance to having their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree; there are others who frankly yield their support in faver of a remedy which they know is capable of doing so much good in an afficted community. As an evidence, read the following from oid and respectable physicians, of high standing in the community in which they live.

TESTIMONY:

Testimony like the following renders superflowe all comments on the efficacy of Bull's Sarasparilla. From Dr. L. P. Yandall, Professor of Chemistry in the Louisville Medical Colleges 1 have locked over the list of the gredients composing John Bull's Extract of Sarasparille and have no hesitation in saying that they form a safe compound, and one that promises well in chronic discusses, to which it is applicable. What Dr. Pyles, physician by appointment to the coulsville Marine Hospital says of Bull's Sarsaparilla Louisville, March 20, 1849.

I have examined the prescription for the preparation of Jehn Bull's Sarraparilla, and I believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think is the best article new in use.

LOUISVILLE, May 20, 1849.

We have used John Buil's Sarsaparilla, and have known it to be used, with entire satisfaction; and we have no hesitatire in stating our belief, that it is a safe and valuable medical compound, and calculated to pro-duce much good and relieve much suffering; and therefore would obserfully and most expessily recommend it to the

We would carneetly invite all persons who are suffering with any of the ills that fiesh is helr to, to call on Dr. John Bull's agent and get a copy of Bull's Family Journal gratis; and for the suke of humanity we hope that a single individual will not be found unwilling to give Bull's Sarsaparilla a trial after reading and recollecting, at the same time, that it is impossible for the Doctor to publish the tenth part of the number of certificates of astounding cures performed by his Saraparilla. The amount of testimony voluntarily showered on Dr. Bull's Sersaparilla, from well known and distinguished individuals, both in public and private life, has been perfectly overwhelming.
